

**Amendment No. 3 – Correction and Clarification of Site Acreage on the
Request for Proposals (RFP) for Design-Build Services for Hotel Development
On Airport Property
Montrose Regional Airport
August 24, 2020**

This Amendment modifies the acreage shown in the text of the RFP. The RFP states that “the project will be built on 2.98 acres of land currently owned by Montrose Regional Airport”. The survey plat, however, lists the property at 2.62 acres. Proposers should use the site size of 2.62 acres, as shown in the Plat of Survey, which was issued as Amendment No. 1 to the RFP.

All other questions of general interest were answered in Amendment No. 2.
